

## Our Story

Over this past winter, the Gikas family in Lockport Township experienced a tragic death in their young family; Bob Gikas, a loving husband and father died suddenly at the age of 39, leaving behind a wife, Nancy, a nine year old son, Bobby, and four year old triplets, Tommy, Katelyn, and Krista.

One of Bob's true passions in life was sports, and he had his family involved in many recreation programs at the Park District over the years. Bob was a dedicated coach for Lockport Boys Baseball for several years, and surely he would want his children to be able to continue participating in these programs, keeping his passion alive, as well as his memory.

In honor of Bob Gikas, a percentage of the money raised from this golf outing will allow each of his children to receive a Sports/Recreation Scholarship for any of the recreation programs that the Park District offers annually, thus the sentiment, You Play, Kids Play.

It is our intention to raise enough funds that, should this tragedy happen again to any family in the Lockport Township Park District boundaries who is involved in our programs, we will be able to provide the same opportunities.

## The Gikas Family

From left to right (front): Katelyn, Tommy, Krista, Bobby, Nancy, and Bob.

The Dellwood Foundation sees this event as a chance to help the youth of our community and keep them involved in recreation during such times of grief. We would appreciate your support for such a great cause. Each attendee will enjoy nine holes of golf and beverages on the course followed by a social hour, live auction and dinner until 10:00 p.m. Remember, You Play, Kids Play.

## Sponsorships

Business or family name will be prominently displayed at the hole and recognition in Program for all sponsors.

**Social Hour Sponsor \$250**  
Exactly what it says! A special toast during the awards ceremony recognizing your business/family.
